RE: New Divisional Appl. of PCT/1897/00887 (US 09/846,362)

Dear Miss,

A new divisional application of Applic 09/846,362 was initially sent from Paris by certified mail on November 14, 2001.

This mail seems not being received by USPTO because of the "Anthrax problem".

Following your instructions, I've sent a copy of this divisional application with another check whose copy is enclosed to this fax.

I've not received until today any filing receipt for this application, whose copy including check was mailed May 6, 2002. Could you please inform me about "what shall I do?" I thank you in advance.

Sincerely,
H. TOLEDANO
